## HEALTH & SAFETY POLICY

### OBJECTIVE

Health and safety are the uncompromised right and responsibility of all management and all employees. A&A Trading Ltd. (A&A) is committed to the health, safety, and wellbeing of all employees.

### OUR OPERATIONS WILL:

- Integrate health and safety into our business with the knowledge that the forest industry has inherent risk. With appropriate planning, training, and execution of procedures, all human-induced incidents are avoidable.
- Hold all levels of management accountable for providing a safe work environment and enforcing safe work practices, including timely follow-up on safety incidents.
- Actively involve our employees in effective safety programs.
- Train all employees to identify hazards and protect themselves and their fellow workers.
- Hold all employees and contractors working for A&A accountable for following safe work practices and for promptly reporting all unsafe acts and conditions to management.
- Strive to ensure our work objectives remain compatible with our safety values and beliefs.
- Use audits to measure and improve our health and safety performance.
- Operate in compliance with health and safety regulations as well as other commitments to which we subscribe.
- Monitor and report regularly on our health and safety performance.
