with sites according to Annex A**

meets the requirements of the standard noted below (the Requirements).

## ISO 14001:2015 Environmental Management System Standard

### Scope of Certification

**The multisite forest management controlled by the central office in Vancouver over the activities including planning, harvesting, road construction, silviculture and the transportation and sorting of logs and forest management operations on the following crown tenures: A19229 and A80590 along the Sunshine Coast, TFL 58 and A16870 on Haida Gwaii, A74689 on Vancouver Island, and A16836 in the Kalum TSA.**

Management is responsible for ensuring the management system meets the Requirements. Our responsibility is limited to assessing whether management has demonstrated that the Requirements were met. Our assessment was conducted in accordance with ISO 17021 management systems assessment standard and, accordingly, included examining, on a sample basis, evidence supporting management's assertion that the Requirements were met.

A description of our responsibilities for the assessment of the management system is located at [www.pwc.com/ca/certificate](http://www.pwc.com/ca/certificate). The ISO standards can be found at [www.iso.org](http://www.iso.org).

Based on our assessment, the management system met the Requirements, in all material respects, as of April 19<sup>th</sup>, 2024.

The validity of this certificate is subject to satisfactory annual maintenance assessments.
